# WELCOME

Square Edge Community Arts warmly welcomes you to the Art Trail Manawatu 2017. This is your guide to a weekend of creative intrigue and inspiration. The artists, groups, cafes and galleries on board, are ready to receive you and it is with gratitude that we thank their enthusiastic willingness to participate.

We acknowledge and thank the funders and supporters of this event for making it happen. Go forth and enjoy what you see.

**Be inspired, make art, buy art and be fulfilled!**

“Square Edge Community Arts is proud to sit at the heart of the vibrant, diverse and exciting art scene of Palmerston North City and the Manawatu region. But we are so much more than simply what happens inside our beautiful building.

To give a taste of that to our wider community we're launching Art Trail Manawatu and we're excited that so many of our wonderful art practitioners have agreed to get involved in this inaugural event.

Come and join us on the Trail, explore some hidden spaces and see some old ones in new ways, meet our artists and spend time with friends. Bring your sense of adventure, your spending money and possibly some snacks - there's a lot to see and do.”

**Rachel Bowen**

on behalf of the SECA Board

“It has been a whirlwind three months of organisation. I am full to the brim with gratitude at the opportunity given to me to organise this wonderful event. I have been hoping and waiting for an art trail to be part of our annual, creative calendar, so it’s even better to be the one to be shaping and delivering it.

A huge thank you to all the artists, groups, galleries and my support network, for being so positive and enthusiastic, warm and offering of themselves, their time and creativity.

I hope you enjoy the weekend as much as I have enjoyed putting it together. Please share your thoughts and experiences to help us shape the 2018 Trail. Thank you for supporting our local artists by being a ‘Trail Goer’. ”
